## Rheumatoid Arthritis

12:00 pm, Wednesday, February 22, 2012

Presentation & Refreshments

Park Cities Family YMCA

6000 Preston Road

Dallas, TX 75205

### Scott Zashin, M.D.

Dr. Zashin enjoys spending time with his patients and finds their conditions interesting whether it is due to a common type of arthritis or something more unusual. He specializes in treating rheumatoid arthritis, lupus, osteoarthritis, fibromyalgia, Sjogren's syndrome, gout, scleroderma and other musculoskeletal conditions.

Please RSVP by Wednesday, February 15<sup>th</sup> to 214-818-0366
